Help Us, Help You!

Dear Friends of Bristol Rescue,

Thank you for providing the support that has allowed Bristol Rescue to reach our 50th year in operation. It would not have been possible without the continued support of our Towns, and our Subscribers.

Bristol Rescue provides emergency medical services to the Towns of Bristol and Lincoln, as well as parts of Starksboro, Monkton, and New Haven. Our 30+ volunteer and per diem members responded to more than 750 calls for assistance last year. We operate with two fully equipped ambulances from our station on Monkton Road in Bristol.

In addition to 24-hour emergency ambulance service, Bristol Rescue offers several prevention and educational programs, these include:

- CPR/AED Training
- First Aid Training

Bristol Rescue Squad is planning to replace our oldest ambulance in 2019/2020 as well as bring in a third Ambulance. Our new ambulances will allow us to continue to provide the highest level of service to all our communities and patients.

The members of the Bristol Rescue Squad would like to thank every resident of our communities for the strong support and help that has been provided to us over the past 50 years. It is only through your support and our dedicated volunteers and staff that we are able to provide 24-hour emergency service to our communities. This subscription program is yet another way Bristol Rescue Squad is working to assist our patients and families with care by limiting out of pocket expenses due to an unexpected emergency.

As always, Bristol Rescue is looking for new members interested in assisting their friends and neighbors within our five-town community. Classes are currently forming for the fall, to learn more please contact BristolRescueVT@gmail.com.

We look forward to serving our towns and neighbors for the next 50 years.

Regards,

Mark Rickner, President
Bristol Rescue Squad, Inc.
